

American Red Cross Lifeguard Training

Our comprehensive course prepares you for a rewarding job in water safety. Successfully complete the course to earn your certification in lifeguard training, first aid, CPR/AED for the professional rescuer, preventing disease transmission and administering emergency oxygen.

A required level of swimming ability and fitness is determined on the first day. The skills test includes a 300-yard, non-stop swim followed by retrieval of a 10-lb. submerged object in 7-10 feet of water, then back to the starting point.

Attendance at all class dates is mandatory. Proof of age is required (ages 15+). Registration closes one week prior at cityofhenderson.com or at any recreation center/indoor pool. \$100 per session.

Participants must first complete the American Red Cross lifeguarding course online for \$35, payable to the American Red Cross. Our registered participants will receive information on how to complete this online component.
