CONTRIBUTIONS

Report Due: April 22, 1991

Column I of this page must include a total of all campaign contributions received from 30 days after the day of the last election for the office being sought through April 17, 1991. These contributions must be divided into two categories: Those contributions received during this report period that have a value of less than or equal to \$500 and those received this period that have a value greater than \$500. The candidate should not include cumulative totals in the greater than \$500 section, as these totals are itemized on page 3 of this report.

Contribution Defined. NRS 294A.007 "Contribution" means a gift, loan, conveyance, deposit, payment, transfer or distribution of money or of any thing of value other than the services of a volunteer, and includes the payment by any person other than a candidate of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate.

COMMENTARY: IN-KIND CONTRIBUTIONS MAY INCLUDE, BUT ARE NOT LIMITED TO anything of value which is given to the candidate without charge to the candidate, but which has an identifiable value.
