Campaign Expenditures
Report due: August 15, 1995

This Itemization must include a total of all campaign expenses made from May 18, 1995 through July 6, 1995, inclusive. It must also include a total of all expenditures to date. To obtain the appropriate total for Column II, add the amounts on the Itemization of Expenditures from Reporting Periods 1 & 2 to the figures in Column I of this sheet. "Campaign Expenses" means all expenditures contracted for or made for advertising on television, radio, billboards, posters, and in newspapers, and all other expenditures contracted for or made to directly further the campaign. Space is provided for an explanation of each category. The total value of "IN-KIND" contributions must be reported here as an expense to provide a proper accounting. "OTHER" expenditures may include, but are not limited to office expenses, staff salaries, consultant fees, rents, cost of all campaign materials, travel, and the cost of any form of advertising or any other expenditures that directly further the campaign.
