This exemption includes Regional Infrastructure Projects that have been reviewed under the SNRPC conformity review process.

- (3) The distance from the site on which the project will be located to the nearest facilities from which fire-fighting, police and emergency services are provided, including, without limitation, facilities that are planned, but not yet constructed, and facilities that have been included in a plan for capital improvements prepared by the appropriate local government pursuant to NRS 278.0226.

- 8. In addition, all local regulatory provisions that relate to separations of certain types of land uses from others shall be interpreted to apply to land uses in adjacent jurisdictions.
- 9. For regional infrastructure projects, the proposing agency shall, upon receipt of any mitigation comments from the SNRPC, give consideration to the comments prior to application submittal. The proposing agency shall make written findings of the way in which the mitigation comments have been addressed.

Neighborhood meetings are optional for any other applications under this Code.

**(2) Neighborhood Meeting May Be Required**

In addition to those instances when a meeting is mandatory under Subsection (1) above:

- i. At least one neighborhood meeting must be held at least three weeks prior to a public hearing, or as specified by the City.

**(d) Procedure**

The neighborhood meeting shall comply with the following procedures:

**(6) Written Summary of Neighborhood Meeting**

The applicant shall provide the Community Development and Services Director a written summary of the neighborhood meeting within five business days of its conclusion, along with a list of the notified parties and a signed affidavit indicating the notification was completed in accordance with the standards in this Code. The written summary shall include a summary of the issues related to the development proposal discussed, comments by those in attendance about the development proposal, and any other information the applicant deems appropriate. The written summary of the neighborhood meeting also shall be included with the application materials, and be made available to the public for inspection.

**(7) Response to Summary**

Any person in attendance at the neighborhood meeting may submit an additional written summary stating their understanding of the issues related to the development proposal discussed, comments by those in attendance about the development proposal, and any other information they deem appropriate. applicable notice requirements. Failure of a party to receive written notice shall not invalidate subsequent action. In all cases, however, the requirements for the timing of the notice and for specifying the time, date, and place of a hearing, and the location of the subject property shall be strictly construed. If questions arise at the hearing regarding the adequacy of notice, the decision-making body shall make a formal finding regarding whether there was substantial compliance with the notice requirements of this Development Code before proceeding with the hearing upon recommendation from staff.

**COMMENTARY**

When the procedures of this chapter establish required time frames for action, items may not be continued beyond the required time frame without the consent of the applicant.

**5. Continuation of Public Hearings**

- (a) A public hearing for which proper notice was given may be continued to a later date without again complying with the notice requirements of this Code, provided that the continuance is set for a date and time certain and the date and time is announced at the public hearing.
- (b) In the case of a public hearing before the Planning Commission, the Planning Commission will not grant more than two continuances for the same case, unless it is determined, upon good cause shown, the granting of additional continuances is warranted. "Good cause" includes, without limitation, the desire to revise plans or drawings, to engage in negotiations with any person or governmental entity, to retain counsel, or circumstances relating to the matter that are beyond the control of the applicant.
- (c) If a public hearing is continued more than three times or for more than 90 days, whichever is less, the public hearing shall be "re-noticed" in accordance with the original notice requirements for the subject application. Unless otherwise approved by the review or decision-making body at the time of the continuance, the applicant shall pay all costs associated with the re-notification.

**6. Burden of Proof or Persuasion**

The burden of demonstrating that an application complies with applicable review and approval criteria is on the applicant. The burden is not on the City or other parties to show that the criteria have not been met.

**7. City Council Call-Up of Development Applications**

Whenever the procedures of this chapter give the Planning Commission decision-making or appeal authority on a development application or permit request, any member of the City Council shall be authorized to "call-up" the application for final action at the City Council. In order to call-up an application, a City Council member must notify the Community Development and Services Director within nine days of the date that the City Clerk received

Figure 19.6.3-A: Call-Up Process

written notice of the Planning Commission's final action. In the event of City Council call-up, public notice shall be provided in accordance with the same procedures that applied to the Planning Commission's original action. In the event of call-up, the City shall be responsible for all costs associated with the re-notification.

#### 8. Simultaneous Processing

- (a) Whenever two or more forms of review and approval are required under this Code (e.g., a rezoning and a conditional use permit), applications for those development approvals may, at the option of the City, be processed simultaneously.
- (b) The decision-making authority identified in Table 19.6.2-1, Summary Table of Development Review Procedures, shall have the authority to review and decide any application for which it is the designated decision-making authority. In cases where an application is submitted in conjunction with another application requiring approval by a separate, higher-level decision-making authority (e.g., the City Council), the higher-level decision-making authority shall be responsible for reviewing and deciding both applications.

#### 9. Processing Cycles

The Community Development and Services Director shall issue timetables for reviewing each type of development application under this chapter. Timetables, which may be revised from time-to-time, may include:

- (a) Dates of regular meetings of review bodies and decision-makers;
- (b) Deadlines for receipt of a complete application for consideration of such application at a particular meeting; and
- (c) Routing and scheduling of staff and agency reviews.

### C. REVIEW AND DECISION

The provisions of this section shall apply to all applications for development permits or approvals under this Code, unless otherwise specified.

#### 1. Conditions of Approval

Unless otherwise specified in this Code, the decision-maker may impose such conditions on the approval of the application as may be necessary to reduce or minimize any potential adverse impact upon other property in the area, or to carry out the general purpose and intent of the Comprehensive Plan and this Code. In such cases, any conditions attached to approvals shall be directly related to the impacts of the proposed use or development and shall be roughly proportional in both nature and extent to the anticipated impacts of the proposed use or development. No conditions of approval shall be less restrictive than the requirements of this Code.

#### 2. Lapse of Approval; Extensions of Time

- (a) Unless otherwise provided in this chapter, an approved application shall expire if no activity approved under the permit occurs for six months and an extension is not granted.
- (b) The lapse of approval time frames established by the procedures in this Chapter may be extended only when all of the following conditions exist:

**CHAPTER 19.6: ADMINISTRATION**

- (1) The provisions of this chapter must expressly allow the extension;
- (2) An extension request must be filed prior to the applicable lapse-of-approval deadline;
- (3) The extension request must be filed in a form and include all exhibits and fees established by the Community Development and Services Director; and
- (4) Unless otherwise provided in this chapter, authority to grant extensions of time shall rest with the decision-making body that granted the original approval (the one being extended).

**D. STRUCTURE OF INDIVIDUAL PROCEDURE SECTIONS**

**1. Contents**

Each of the procedures listed in Sections 19.6.4 through 19.6.9 includes a standard set of information, including requirements for application filing, preliminary actions undertaken by the City during the review process (e.g., public notice), the sequence of review, the approval criteria or standards for the type of application, and how appeals, amendments, or expiration are addressed (as appropriate).

**2. Procedural Flow Charts**

In addition to the basic information, each of the procedures includes a summary flow chart that illustrates the steps in the review process. Each flow chart includes common procedural elements that are identified by shape or color. For example, each optional action shown in a flow chart is surrounded by a dashed line; public hearings use the diamond shape; and City Council actions use the darkest color. Figure 19.6.3-B includes a legend that explains the various shapes and colors used in the procedural flow charts.

Based on the results of the reviews and the consideration of comments from affected state agencies, the Community Development and Services Director shall provide a report and recommendation to the Planning Commission.

**8. Planning Commission Review and Recommendation**

- (a) The Planning Commission may continue a Comprehensive Plan amendment application, and all of its accompanying applications, to any future Planning Commission meeting. However, if a continuance is requested by the applicant, all applications shall be held in abeyance until the next quarterly meeting designated for Comprehensive Plan amendment applications.
- (b) The Planning Commission shall hold at least one public hearing on the proposed Comprehensive Plan amendment and at the close of the public hearing make a recommendation to the City Council, based on the approval criteria of Section 19.6.4.A.10, *Comprehensive Plan Amendment Approval Criteria*.
- (c) An affirmative vote of two-thirds of the total membership of the Planning Commission shall be required to approve a resolution recommending adoption of the Comprehensive Plan amendment. A two-thirds vote is a vote of at least two-thirds of the votes cast by persons legally entitled to vote, excluding abstentions, at a meeting at which a quorum is present.
- (d) If a Comprehensive Plan amendment application is accompanied by other applications for the same development, the Comprehensive Plan amendment shall be acted upon before all other applications for that project.
- (e) If the Comprehensive Plan amendment fails to receive an affirmative vote of two-thirds of the total membership or is recommended for denial by the Planning Commission, all accompanying applications shall be acted on in accordance with Table 19.6.2-1, *Summary Table of Development Review Procedures*.

**9. City Council Review and Decision**

- (a) After receiving the recommendation of the Planning Commission, the City Council shall hold at least one public hearing and, at the close of the public hearing, act to approve, approve with conditions, or deny the proposed amendment based on the approval criteria of Section 19.6.4.A.10, *Comprehensive Plan Amendment Approval Criteria*.
- (b) No applicant-requested change in or addition to an amendment recommended for approval by the Planning Commission shall be made by the City Council until the proposed change or addition has been referred back to the Planning Commission for a new public hearing and recommendation. Failure of the Planning Commission to conduct a new public hearing and make a new recommendation within 40 days after the referral, or such longer period as may

**CHAPTER 19.6: ADMINISTRATION**

be designated by the City Council, shall be deemed to be approval of the proposed change or addition.

- (c) If a Comprehensive Plan amendment recommended for denial by the Planning Commission is approved by the City Council, any applications that accompanied the Comprehensive Plan amendment at the Planning Commission shall be re-noticed and scheduled to be heard and acted upon at the next available Planning Commission meeting.
- (d) If a Comprehensive Plan amendment is denied by the City Council, all applications that accompanied the Comprehensive Plan amendment are terminated.
- (e) The City Council may continue a Comprehensive Plan amendment application, and all of its accompanying applications, to any future City Council meeting. However, if a continuance is requested by the applicant, the applications shall be held in abeyance until the next quarterly meeting designated for Comprehensive Plan amendment applications.

**10. Comprehensive Plan Amendment Approval Criteria**

- (a) Comprehensive plan amendments may be approved by the City Council only following a determination that the proposed amendment is consistent with the overall purpose and intent of the Comprehensive Plan and that any one of the following criteria has been met:
  - (1) There was an error in the original Comprehensive Plan adoption;
  - (2) The City Council failed to take into account then-existing facts, projections, or trends that were reasonably foreseeable to exist in the future;
  - (3) Events, trends, or facts after adoption of the Comprehensive Plan have changed the City Council's original findings made upon plan adoption; and/or
  - (4) Events, trends, or facts after adoption of the Comprehensive Plan have changed the character or condition of an area so as to make the proposed amendment necessary.
- (b) In addition to the above-listed criteria, any proposed amendment is subject to the following additional review standards:
  - (1) That the amendment is not in conflict with any portion of the goals and policies of the plan.
  - (2) That the amendment constitutes a substantial benefit to the City and is not solely for the good or benefit of a particular landowner or owners at a particular point in time.
  - (3) The extent to which the proposed amendment and other amendments in the general area are compatible with the land use goals of the plan and that they avoid creation of isolated uses that will cause incompatible community form and a burden on public services and facilities.
  - (4) That the development pattern contained in the existing plan does not provide adequate and appropriate optional sites for the use or change being proposed in the amendment.

**CHAPTER 19.6: ADMINISTRATION**

- (5) That the impact of the amendment, when considered cumulatively with other applications and development in the general area, will not adversely impact the City or a portion of the City by:
  - i. Significantly altering acceptable existing land use patterns;
  - ii. Having significant adverse impacts on public services and facilities that are needed to support the current land use and which cannot be mitigated to the maximum extent feasible;
  - iii. Adversely impacting environmentally sensitive areas or resources; or
  - iv. Adversely impacting existing uses because of increased traffic on existing systems.
- (6) That site conditions, including but not limited to topography, utility corridors/easements, drainage patterns, noise, odors, or environmental contamination, would make development under the current plan designation inappropriate.

**11. Appeals**

Appeals of the City Council's decision on Comprehensive Plan amendments shall be made to the District Court of Clark County, as provided by law.

**CHAPTER 19.6: ADMINISTRATION**

**FIGURE 19.6.4-A: SUMMARY OF THE COMPREHENSIVE PLAN AMENDMENT PROCESS**

**3. Application**

**(a) Master Plan Required for Rezoning to MP Overlay**

(1) An application for rezoning to the MP overlay shall include a master plan prepared to the specifications of the City. Approval of a master plan at the time of rezoning is required prior to development in the MP overlay. The master plan represents a generalized land use/site plan for the area proposed to be included within a planned development. It is required as a means of allowing early review before detailed planning and engineering work is undertaken and before substantial expenses are incurred.

(2) A master plan must cover all of the land area to be included in the planned development. The master plan shall be accompanied by a terms and conditions statement, which is a textual description of all adopted conditions of approval, a description of how the planned development will meet or exceed the minimum standards of the Code, and the compensating benefits to be provided (if any).

**(b) Filing**

Applications for MP or PUD rezoning approval shall be submitted to the Community Development and Services Director.

**4. Public Hearing Notice**

Notice of public hearings on the MP or PUD rezoning application shall be published, mailed, and posted in accordance with Section 19.6.3.B.4, *Public Notice*.

The Planning Commission shall hold a public hearing on the proposed master plan or PUD rezoning and, within 60 days of the date of the public hearing, make a recommendation to the City Council, based on Section 19.6.4.D.8, *Approval Criteria*.

**7. City Council Review and Decision**

After receiving the recommendation of the Planning Commission, the City Council shall act to approve, approve with conditions, or deny the proposed MP or PUD rezoning based on the approval criteria of Section 19.6.4.D.8, *Approval Criteria*.

**FIGURE 19.6.4-D: SUMMARY OF THE PROCESS FOR REZONINGS TO THE MP OR PUD OVERLAY**

**8. Approval Criteria**

A master plan or PUD rezoning may be approved only if the City Council finds that all of the following criteria have been met:

- (a) The proposal is consistent with the Comprehensive Plan;
- (b) The planned development addresses a unique situation, confers a substantial benefit to the City, or incorporates creative site design such that it achieves the purposes of this Code and represents an improvement in quality over what could have been accomplished through strict application of the otherwise applicable district or development standards. Such improvements in quality may include, but are not limited to: improvements in common open space provision and access; environmental protection; tree/vegetation preservation; efficient provision of

streets, roads, and other utilities and services; or increased choice of living and housing environments;

- (c) The planned development complies with the applicable standards of Section 19.4.4, Master Plan Development Overlay, or Section 19.4.5, Planned Unit Development Overlay;
- (d) The proposal mitigates any potential significant adverse impacts to the maximum practical extent;
- (e) Sufficient public safety, transportation, and utility facilities and services are available to serve the subject property, while maintaining sufficient levels of service to existing development; and
- (f) The same development could not be accomplished through the use of other techniques, such as rezonings, variances, or administrative adjustments.

**9. Conditions of Approval**

The following shall be standard conditions of the approval of all applications:

- (a) The development standards in the applicant’s submitted master plan or PUD shall be deemed to be incorporated within the action of the City Council in its approval of the map amendment, except as modified in the specific terms of the approval. All future development within the boundaries of the MP or PUD overlay district shall comply with the terms of the approved MP or PUD.
- (b) The requirements of the general zoning district(s) in which the property is located shall remain applicable within the overlay district except as modified within the approved MP or PUD and as may be further modified by the City Council in its approval.

**10. Appeals**

Appeals of City Council decisions on master plans or PUD rezonings shall be made to the District Court of Clark County, as provided by law.

A copy of the recorded documents shall be provided to the City prior to issuance of a building permit.

**12. Amendments to an Approved Master Plan or Planned Unit Development**

- (a) Any request for amendment to an approved MP or PUD that increases the number of dwelling units, increases the project’s density, increases the number of building lots, decreases the amount of common open space, alters a road pattern, or requests new waivers of Code requirements shall be initiated and processed in the same manner as a new application.

**CHAPTER 19.6: ADMINISTRATION**

SECTION 19.6.5 LAND DIVISION APPLICATIONS | 19.6.5.A PARCEL MAPS

---

- (b) However, if the Community Development and Services Director determines that the requested changes are, in his or her discretion, minor and do not include substantial alterations to the MP or PUD conditions of approval, and are consistent with the intent of the original approval, the Community Development and Services Director may approve the changes.
- (c) The following are provided as illustrative examples of the types of amendments that the Community Development and Services Director may reasonably consider to be minor:
  - (1) Changes in the size of a particular use;
  - (2) Changes in the height of a proposed use;
  - (3) Changes in the housing mix or use-mix ratio; or
  - (4) Changes that do not result in a change in the character of the development, or the development's relationship with adjacent lands.

**19.6.5. LAND DIVISION APPLICATIONS**

**A. PARCEL MAPS**

**1. Applicability**

Parcel maps shall be required for all nonexempt subdivisions consisting of four or fewer lots.

Based on the results of those reviews, the Community Development and Services Director shall, within 45 days of a complete application, act to approve, approve with conditions, or deny the application. Failure to take action within 45 days shall constitute approval of the application, unless the time frame is extended by mutual agreement.

**4. Approval Criteria**

No parcel map shall be approved unless the Community Development and Services Director and the City Surveyor determine that the map complies with all applicable standards of this Code and NRS Chapter 278.

**5. Recording; Lapse of Approval**

The applicant shall be responsible for recording approved parcel maps with the County Recorder. If the approved parcel map is not recorded within one year of the date of approval of the parcel map, the parcel map shall lapse and be of no further effect.

**19.6.9. MODIFICATIONS AND APPEALS**

The development review procedures in this section are intended to allow relief and flexibility in the development review process. **B. ADMINISTRATIVE ADJUSTMENTS**

**1. Purpose**

This section sets forth the required review and approval procedures for administrative adjustments, which are minor deviations from otherwise applicable standards that may be approved by the Community Development and Services Director when the small size of the modification requested, and the unlikelihood of any adverse effects on nearby properties or the neighborhood, make it unnecessary to complete a formal variance process.

**2. Applicability**

The Community Development and Services Director is authorized to approve administrative adjustments as provided in Table 19.6.9-2.

**C. VARIANCES**

**1. Applicability**

Variations are deviations from the strict requirements of this Development Code. They may be granted only when necessary to relieve peculiar and exceptional practical difficulties or exceptional and undue hardships resulting from the size, shape, or dimensions of a site or the location of existing structures thereon; from geographic, topographic or other physical conditions on the site or in the immediate vicinity; or from street locations or traffic conditions in the immediate vicinity of the site. Only the following standards are eligible for a variance:

**CHAPTER 19.6: ADMINISTRATION**

SECTION 19.6.9 MODIFICATIONS AND APPEALS | 19.6.9.C VARIANCES

- (a) Site or lot area, lot width, setback, height, building coverage, structure spacing, or dwelling size;

The Community Development and Services Director shall review each proposed variance in light of the approval criteria of Section 19.6.9.C.6, *Variance Approval Criteria*, and, as deemed necessary, distribute the application to other reviewers. Based on the results of those reviews, the Community Development and Services Director shall provide a report to the Planning Commission.

**5. Planning Commission Review and Action**

- (a) Within 50 days of receipt of a complete application, the Planning Commission shall hold a public hearing on the proposed variance request. At the close of the public hearing, the Planning Commission shall act to approve, approve with conditions, or deny the application, based on Section 19.6.9.C.6, *Variance Approval Criteria*.
- (b) Design review applications that are being processed concurrently with variances shall be reviewed and approved concurrently with the variance by the Planning Commission.

**6. Variance Approval Criteria**

(a) Sign Variances

Variances to the sign regulations of Chapter 19.8: *Signs* are intended to correct difficulties that cannot be resolved practically with alternate sign types or locations. A sign variance may be approved by the Planning Commission only if they find that all of the following criteria have been met:

(1) Physical Barriers

- i. A physical barrier such as an existing building or sign on a property not under control of the applicant substantially blocks view of the proposed sign if constructed in strict compliance with this Development Code.

**CHAPTER 19.6: ADMINISTRATION**

SECTION 19.6.9 MODIFICATIONS AND APPEALS | 19.6.9.C VARIANCES

---

- ii. The placement of the proposed sign in strict compliance with this Development Code will become a physical barrier substantially blocking view of a sign on a neighboring site not under the control of the applicant.
  - (2) Changing the height or setback within the limitations of the Development Code will not substantially correct the obscurity.
  - (3) An alternate type of signage authorized by this Development Code will not provide identification adequate to allow safe movement of vehicles and pedestrians to the site.
- (b) Other Variances

Variances to regulations other than signs may be approved by the Planning Commission only if they find that all of the following criteria have been met:

- (1) Because of special circumstances or conditions applicable to the subject property, including narrowness, hollowness, shape, exceptional topography, or other extraordinary or exceptional situations or conditions, strict application of the requirements of this ordinance would result in peculiar and exceptional difficulties or undue hardships for the owner of the property.
- (2) The variance may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources, and without detriment or injury to property or improvements in the vicinity of the development site or to the public health, safety, or general welfare.
- (3) Granting the variance is consistent with the purposes of this ordinance and will not constitute a grant of special privilege inconsistent with limitations on other properties in the vicinity and in the same zoning district.
- (4) Granting the variance will not allow a use that is otherwise prohibited in the underlying zoning district.

**7. Findings of Fact**

The decision of the Planning Commission shall be accompanied by written findings of fact specifying the reasons for the decision.

**8. Notice of Decision**

Within five days of the Planning Commission's decision on a variance, the Community Development and Services Director shall mail notice of the decision to the applicant and all other parties who have made a written request for notification.

No permit shall be issued until expiration of the appeal period.

**11. Lapse of Approval**

- (2) A certificate of occupancy has been issued.
- (3) The structure is established.
- (4) The variance is renewed.

(b) A variance shall lapse if the rights granted by it are discontinued for 180 consecutive days.

**12. Extensions of Time**

The Community Development and Services Director may renew or extend the time of a variance when the applicant demonstrates good cause for the extension. Any such administrative extension granted shall not exceed one year in length, and no more than one extension may be granted by the Community Development and Services Director. Additional extensions of time may be approved by the Planning Commission, whose

**D. WAIVERS**

**1. Purpose and Scope**

This section allows the approval of a waiver as part of a Waiver of Standards application or the PUD or Master Plan rezoning process, which allows development to occur in a manner that meets the intent of this Code, yet through an alternative design that does not strictly adhere to the Code's standards. A waiver of standards application may be used to gain approval of waivers from, or modifications to, Development Code standards as set forth in 19.6.9.D, *Waivers*. It provides a method of obtaining waivers of the Development Code separate from submitting zone changes, tentative maps, design reviews, or other specific development plans.

**2. Applicability**

(a) All requests must comply with Sec. 19.6.9.D, *Waivers*.

**CHAPTER 19.6: ADMINISTRATION**

- (c) The applicant bears the burden of proof to establish that approval of the waiver(s) requested is warranted and appropriate.
- (d) The fact that a waiver for the same or similar use has been granted previously for the subject property or nearby property is a factor to be considered, but is not determinative.

The Community Development and Services Director shall review each proposed waiver of standards application in light of the approval criteria of 19.6.9.G.7, *Waiver of Standards Approval Criteria*, and, as deemed necessary, distribute the application to other reviewers. Based on the results of those reviews, the Community Development and Services Director shall provide a report to the Planning Commission.

**6. Planning Commission Review and Decision**

(a) Within 50 days of receipt of a complete application, the Planning Commission shall hold a public hearing on the proposed waiver of standards. (b) Design review applications that are being processed concurrently with waiver of standards applications shall be reviewed and approved concurrently by the Planning Commission.

**7. Waiver of Standards Approval Criteria**

A waiver of standards application may be approved only if the Planning Commission or City Council finds that all of the following criteria have been met:

- (a) The proposal is consistent with the Comprehensive Plan;
- (b) The proposed development addresses a unique situation, confers a substantial benefit to the City, or incorporates creative site design such that it achieves the purposes of this Code and represents an improvement in quality over what could have been accomplished through strict application of the otherwise applicable district or development standards.
