(Ord. 1961, § 1 (part), 1999)

4.05.020 Public utility licenses.

A. As used in [this]section 4.05.020, the following words have the following meanings:

Cellular phone service means a commercial mobile radio service as that term is defined in 47 CFR § 20.3 on the effective date of the ordinance codified in this section, or as may be amended. It is one type of telecommunications service.

[City means the area within corporate limits of the City of Henderson.]

Customer does not include any customer of a provider of a telecommunication service other than a retail customer.

Fee means a charge imposed upon a public utility for a business license, a franchise or a right-of-way over streets or other public areas, except any paid pursuant to the provisions of NRS 709.110, 709.230 or 709.270. [The fees imposed upon a public utility by this chapter shall be collected from a governmental entity, subdivision or agency of the state if such entity, subdivision or agency is a customer of the public utility.]

Public utility means a business that provides:

1. Electric or gas service, whether or not the business is subject to regulation by the Public Utilit[y]ies Commission of Nevada;
2. A telecommunication service, if the business holds a certificate of public convenience and necessity issued by the Public Utilit[y]ies Commission of Nevada and derives intrastate revenue from the provision of that service to retail customers; or
3. A commercial mobile radio service as that term is defined in 47 CFR § 20.3 on the effective date of the ordinance codified in this section, or as may be amended.

Revenue, total operating revenue, or gross revenue as used in [HMC]section 4.05.020 [does not include revenues earned from City of Henderson sales or sales made to industrial plants.] means, in the case of a public utility that provides commercial mobile radio service, all revenue received from the first \$15.00 charged monthly for each line of access for each of its customers located within the city. For purposes of calculating revenue received within the city, the customer's billing address shall be determinative. In the case of electric or natural gas service, all revenue received from customers located within the city for electric or natural gas services. Revenue includes proceeds from the sale of natural gas to retail customers located within the city, but does not include any proceeds from the sale of natural gas to a provider of electric energy which holds a certificate of public convenience and necessity issued by the Public Utilit[y]ies Commission of Nevada.

Revenue, total operating revenues or gross revenue as used in [HMC]section 4.05.020 does not include revenues [earned from sales to governmental agencies of the United States, the State of Nevada, and the City of Henderson interutility sales, and sales made to industrial plants.] earned from sales to the following:

1. Governmental agencies of the United States;
2. Agencies and subdivisions of the state of Nevada;
3. City inter-utility sales; or
4. Sales made to industrial plants.

Video service has the same meaning as that term is defined in NRS 711.141, as may be amended or renumbered.

Video service provider has the same meaning as that term is defined in NRS 711.151, as may be amended or renumbered. In the case of a video service provider, "Gross revenue" has the same meaning as that term is defined in NRS 711.066, as amended.

B. Every person engaged in the business of furnishing to the public telecommunications service, or commercial mobile radio service, gas, electricity, water, [or]sewer services, or video service shall pay a quarterly license fee to carry on each of such businesses as follows:

1. Telecommunications and commercial mobile radio service.

a. The fee for a license to engage in a telecommunications or commercial mobile radio service business is payable not later than 30 calendar days after the end of each calendar quarter and shall be [four percent of its total revenue commencing February 10, 1997, and] five percent of its total revenue [commencing February 10, 1999].

b. A license fee not received or postmarked within 30 calendar days after the end of each calendar quarter shall be delinquent and the licensee shall pay, in addition to the license fee, a penalty of one percent of the delinquent amount per month and interest of one percent of the delinquent amount per month.

c. Each telecommunications or commercial mobile radio service provider which derives or intends to derive intrastate revenue from customers located within the city shall, not later than 60 calendar days after the effective date of the ordinance codified in this section or 30 calendar days before the company begins to provide intrastate telecommunications or commercial mobile radio service to those customers, whichever occurs later, provide to the city:

i. An acknowledgement that the company is operating or intends to operate within the city; and

ii. The date that the company began or intends to begin to derive revenue from customers located within the city.

d. Each company that is subject to this section shall, not later than 30 calendar days after the end of each calendar quarter, provide to the city a statement of the amount of revenue the telecommunications or commercial mobile radio service company derived during that calendar quarter from the sale of all intrastate telecommunication or commercial mobile radio services to each of its customers located within the city.

2. Natural gas service.

a. The fee for a license to provide gas service within the city is payable not later than 30 calendar days after the end of each calendar quarter and shall be five percent of the business [entities']entity's total revenue [commencing February 10, 1997; provided, however, that any natural gas provider having a franchise agreement with the city as of the effective date of the ordinance codified in this section shall continue to pay the same percentages for franchise and license fees it is currently paying].

b. A license fee not received or postmarked within 30 calendar days after the end of each calendar quarter shall be delinquent and the licensee shall pay, in addition to the license fee, a penalty of one percent of the delinquent fee amount per month and interest of one percent of the delinquent amount per month.

c. Each natural gas provider which derives or intends to derive revenue from customers located within the city shall, not later than 60 calendar days after the effective date of the ordinance codified in this section or 30 calendar days before the company begins to provide natural gas service to those customers, whichever occurs later, provide to the city:

i. An acknowledgement that the company is operating or intends to operate within the city; and

ii. The date that the company began or intends to begin to derive revenue from customers located within the city.

d. Each company that is subject to this section shall, not later than 30 calendar days after the end of each calendar quarter, provide to the city a statement of the amount of revenue the natural gas company derived during that calendar quarter from the sale of natural gas services to all customers located within the city.

3. Water and sewer.

Every water or sewer company shall pay a fee for a license equal to four percent of its total operating revenues from water or sewer services furnished by such business within the corporate limits of the city.

4. Electric service.

a. The fee for a license to provide electric service within the city is payable not later than 30 calendar days after the end of each calendar quarter and shall be five percent of the business entities' total revenue[commencing February 10, 1997; provided, however, that any electric service provider having a franchise agreement with the city as of the effective date of the ordinance codified in this section shall continue to pay the same percentages for franchise and license fees it is currently paying].

b. A license fee not received or postmarked within 30 calendar days after the end of each calendar quarter shall be delinquent and the licensee shall pay, in addition to the license fee, a penalty of one percent of the delinquent fee amount per month and interest of one percent of the delinquent fee amount per month.

c. Each electric energy provider which derives or intends to derive revenue from customers located within the city shall, not later than 60 calendar days after the effective date of the ordinance codified in this section or 30 calendar days before the company begins to provide electric energy service to those customers, whichever occurs later, provide to the city:

i. An acknowledgement that the company is operating or intends to operate within the city; and

ii. The date that the company began or intends to begin to derive revenue from customers located within the city.

d. Each company that is subject to this section shall, not later than 30 calendar days after the end of each calendar quarter, provide to the city a statement of the amount of revenue the electric energy company derived during that calendar quarter from the sale of electric energy services to all customers located within the city.

5. Video service.

a. A video service provider shall pay, on a quarterly basis, a license fee of five percent of the provider's gross revenue from its video service subscribers within the city, payable within 30 calendar days after the end of each calendar quarter.

b. A license fee not received or postmarked within 30 calendar days after the end of each calendar quarter shall be delinquent and the licensee shall pay, in addition to the license fee, a penalty of one percent of the delinquent fee amount per month and interest of one percent of the delinquent amount per month.

c. It is unlawful for any video service provider to construct or operate a video service network within the city or to provide video service to subscribers within the city unless the provider is a holder of a certificate of authority issued by the Nevada Secretary of State that includes service areas within the city.

C. The quarterly license fees specified in [HMC]subsection[] 4.05.020(B) will be due the 30th day of the first month following the end of each calendar quarter[, commencing on April 1, 1997, the second calendar quarter].

[D. Industrial plants that have obtained an exemption as herein provided a utility customer claiming an exempt status as an industrial plant must establish

before the city council the following facts:

1. That it operates upon a site zoned for industrial use, or upon a site pursuant to a variance authorizing industrial use of property otherwise zoned;
 2. That it consumes electrical energy or natural gas for the manufacture or processing of goods;
 3. That the aggregate cost of the energy or service so consumed or used to such customer is at least \$5,000.00 each month;
 4. That it markets at least 50 percent of its products in interstate commerce.
- E. Nothing in this section will be deemed to alter the terms of any existing franchise agreement between the city and a public utility.】

(Ord. No. 2862, 7-8-2010; Ord. 1961, § 1 (part), 1999; Ord. 1709, §§ 1—5, 1997)

4.05.025 Utility fee – Exemption – Non-compliance.

Industrial plants may request that the council grant an exemption as herein provided. A utility customer claiming an exempt status as an industrial plant must submit on forms to be approved by the division information to establish before the council the following facts:

- A. That it operates on a site(s) zoned for industrial use, or on a site(s) pursuant to a variance authorizing industrial use of property otherwise zoned;
- B. That it consumes electrical energy or natural gas for the manufacture or processing of goods;
- C. That the aggregate cost of the energy or service so consumed or used to such customer is at least \$5,000.00 each month;
- D. That it markets at least 50 percent of its products in interstate commerce.
- E. When granted, an exemption is valid only when the provisions of this section are maintained. It is the responsibility of the utility customer to immediately notify the city and the utility providers if the business no longer complies with the requirements for the exemption. Further, if the business no longer complies with the provisions of this section, the business is responsible for the utility license fees set forth in this chapter.

F. Nothing in this section will be deemed to alter the terms of any existing franchise agreement between the city and a public utility.
