Transportation Network Company, which is any business entity that uses a digital network or software application service to connect a passenger to a driver who can provide transportation services to the passenger as defined by NRS Title 58. An applicant for this license must furnish a certificate or other proof of registration with the Transportation Services Authority.

Each transportation network company shall be charged a semiannual fee of \$50.00 for each active driver as calculated based on the sum of the number of active drivers in each month of a license period divided by the number of months in the license period.

A “Driver” means a natural person who: (a) operates a motor vehicle that is owed, leased or otherwise authorized for use by the person; and (b) enters into an agreement with a motor transportation network company to receive connections to potential passengers and related services from a motor transportation network company in exchange for the payment of a fee to the motor transportation network company;

“Active Driver” means a Driver that has given at least one ride that originated from a transportation network company within a calendar month.

The transportation network company shall provide a monthly report to the division listing the name and identification or driver number of each Active Driver, or in a manner approved by the director.

NOTE: The fee may be collected through a master multi-jurisdictional license provided by Clark County or the cities of Henderson, Las Vegas or North Las Vegas.
