City of Henderson Department of Utility Services UTILITY APPLICATION

Agreement

Section 5

APPLICATION FOR NEW UTILITY SERVICE

I, the undersigned, hereby make application to the City of Henderson for utility service at the above permit address. The following requirements and information are a condition of Utilities Services approval.

1. Do you want a water lateral to be installed by city forces? YES _____ NO _____
2. Do you want a sewer lateral to be installed by city forces? YES _____ NO _____
3. If service laterals are to be installed by city forces, a stake must be placed on the front or side property line showing where the service is to be installed. The stake will be labeled "water" or "sewer" as appropriate.
4. The service cannot go in the driveway approach and should be at least 20 feet from the property corner. A separate permit is required for use of a fire hydrant for construction water.
5. The City of Henderson disclaims any responsibility or commitment to guarantee any utility extensions to the subject property by any certain date. Priority will be given to City emergencies and maintenance activities.
6. **Irrigation Meter Size:** _____ (The approved civil plan must reflect the size meter requested.)

Section 6

I certify that:

I am the permit applicant or the permit applicant's authorized agent.

I have read this application and state that all information is correct.

I agree to comply with all City of Henderson Ordinances and state laws related to building construction, and hereby authorize representatives of the city to enter upon the above mentioned property for inspection purposes.
