Company may terminate a License Authorization by providing City thirty (30) days prior written notice and, before the termination of such License Authorization is effective, by removing all Wireless Communications Facilities and any Licensee Pole from the Licensed Location, and by restoring the ROW and Municipal Facility in accordance with all requirements in this Agreement, including those relating to relocation and removal of Facilities.

4. Scope of Agreement. Any and all rights expressly granted to Company under this Agreement, which shall be exercised at Company's sole cost and expense, shall be subject to the prior and continuing right of City under applicable Laws to use any and all parts of the ROW exclusively or concurrently with any other person or entity, and shall be further subject to all Encumbrances which may affect the ROW. Nothing in this Agreement shall be deemed to grant, convey, create, or vest in Company a real property interest in land, including any fee, leasehold interest, or easement.

5. ROW Authorization. Subject to Company complying with all of the terms and conditions of this Agreement and with all applicable Laws, and subject to Company first obtaining all required easements, permits and approvals, and Company complying with the HMC, including Titles 11 and 19, and other applicable provisions of this Agreement and the Standards Manual, City hereby authorizes and permits Company to enter upon the ROW and only in a Licensed Location within the ROW (or in a Licensed Location on a Municipal Facility that is outside, adjacent to, and used for the ROW) install, operate, maintain, control, manage, and remove authorized Wireless Communications Facilities and Licensee Poles in accordance with the applicable License Authorization (a) to provide Commercial Mobile Service and/or Commercial Mobile Radio Service over the Network to Company's retail customers if Company is a Qualified Service Provider; or (b) if Company is not a Qualified Service Provider, to provide services over the Network to Company's customers who are Qualified Service Providers for them to provide such mobile services; or (c) in connection with the provision of Telecommunications Service.

6. No Interference. Company, in the performance and exercise of its rights and obligations under this Agreement, shall not interfere in any manner with the existence and operation of any and all public and private rights-of-way, sanitary sewers, water mains, storm drains, gas mains, poles, aerial and underground electrical and telephone wires, traffic signals, communication facilities, cable television, location monitoring services, public safety and other equipment and utility or municipal property, without the express written approval of the owner or owners of the affected property or properties, except as permitted by, and in accordance with, applicable Law, this Agreement and the Standards Manual.

7. Permits; Default. Whenever Company is in default in any of its obligations under this Agreement, the Standards Manual or a License Authorization, after notice and lapse of any applicable cure period, City may deny further encroachment, excavation or similar permits until such time as Company cures all of its defaults.

8. Compliance with Requirements. Company shall comply with all applicable Requirements, including the HMC, this Agreement, the Standards Manual and each applicable License Authorization, in the exercise and performance of its rights and obligations under this Agreement.

9. No Authorization to Provide Other Services; Cost of Construction. Company represents, warrants and covenants that (a) the Wireless Communications Facilities and any Licensee Poles installed

pursuant to this Agreement will be utilized solely for providing Commercial Mobile Radio Service or Commercial Mobile Service or by Company in connection with the provision of Telecommunications Service or any Information Service that may be provided over the Network under applicable Law, and (b) Company is not authorized to and shall not use the Wireless Communications Facilities or any Licensee Poles to offer or provide any other services not specified and authorized herein. Company represents that it has a legal right to perform (and cause its contractors or agents to perform) all construction, maintenance, and other activities relating to the construction, installation, repair, maintenance, operation, service, replacement, or removal of Wireless Communications Facilities owned by Company or a QSP and that such activities must be performed by Company entirely at Company's expense. and that Company is responsible for and will hold City harmless from another Person's performance or attempted performance of such activities.

10. Ownership.

10.1 If Company is a QSP. If Company is a QSP, all Wireless Communications Facilities shall be owned by Company. Company represents that it has a legal right to perform (and cause its contractors or agents to perform) all construction, maintenance, and other activities relating to the construction, installation, repair, maintenance, operation, service, replacement, or removal of Wireless Communications Facilities owned by Company and that such activities must be performed by Company entirely at Company's expense.

10.2 If Company is not a QSP. All Wireless Communications Facilities shall be owned by Company; provided, however, if Company is not a QSP, then by agreement with Company, a Qualified Service Provider may own the radios, antenna arrays and related cabling authorized by City at a Licensed Location through a License Authorization. Notwithstanding the foregoing sentence, this Agreement authorizes Company, and no other person, to mount, operate, manage and maintain Wireless Communications Facilities in the ROW unless otherwise expressly permitted herein. This Agreement does not authorize a Qualified Service Provider to enter or access the ROW or to mount, operate, manage or maintain any Wireless Communications Facilities (a) on Municipal Facilities, (b) on Third-Party Structures, (c) City-owned buildings, (d) suspension cable between Licensee Poles or Third-Party Structures, or (e) Licensee Poles. The Company may, by written agreement with a Qualified Service Provider, allow such Qualified Service Provider to lease or use Company's Wireless Communications Facilities installed on a Municipal Facility, City-owned building, Third-Party Structure, or Licensee Pole in a Licensed Location; provided, however, that with respect to any such Facilities and the use thereof, the Company shall remain responsible for compliance with all of the terms and conditions of this Agreement

Notwithstanding any other provision of this Agreement, any and all rights expressly or impliedly granted to Company under this Agreement shall be non-exclusive, and shall be subject and subordinate to (a) the continuing right of City to use, and to allow any other person or persons to use, any and all parts of the ROW or Municipal Facilities, exclusively or concurrently with any other person or persons, and (b) the Encumbrances which may affect the ROW or Municipal Facilities now or at any time during the Term, including, without limitation, any Encumbrances granted, created or allowed by City at any time.

This Agreement shall be automatically amended to conform to any amendment to the HMC or the Standards Manual to the maximum extent permitted by applicable Law. If there is a conflict between a provision in the HMC or the Standards Manual, each as amended from time to time, and a provision in this Agreement, the HMC or Standards Manual provision shall control; provided that, to the extent the amended HMC or Standards Manual provision materially changes the obligations or liabilities

of the Company pursuant to this Agreement, Company may terminate this Agreement by providing City with thirty (30) days' written notice. Company's provision of such notice of termination constitutes Company's agreement that it will satisfy any outstanding Agreement obligations owed to City under this Agreement, including the payment of any outstanding amounts due to the City and the removal of its Communications Facilities and Licensee Poles in accordance with this Agreement. If any Laws (other than the HMC or the Standards Manual) and any binding, non-appealable judicial interpretations thereof that govern any aspect of the rights or obligations of the parties under this Agreement shall change after the Effective Date and such change makes any aspect of such rights or obligations inconsistent with the then-effective Laws, then the parties agree that either party may terminate this Agreement or the parties may promptly amend this Agreement as reasonably required and mutually agreed to accommodate and/or ensure compliance with any such legal or regulatory change.

13. License Authorizations. Company shall install its Wireless Communications Facilities and Licensee Poles only in the locations identified in the application License Authorization.

26.2 Severability of Provisions. If any one or more of the provisions of this Agreement shall be held by court of competent jurisdiction in a final judicial action to be void, voidable, or unenforceable, such provision(s) shall be deemed severable from the remaining provisions of this Agreement and shall not affect the legality, validity, or constitutionality of the remaining portions of this Agreement. Each party hereby declares that it would have entered into this Agreement and each provision hereof regardless of whether any one or more provisions may be declared illegal, invalid, or unconstitutional.

26.8 Amendment of Agreement. This Agreement may not be amended except pursuant to a written instrument signed by both parties with the same formality as this Agreement.

26.9 No Waiver. A party shall not be excused from complying with any of the terms or conditions of this Agreement because the other party does not, on one or more occasions, insist upon or to seek compliance with any such terms or conditions or because of any failure on the part of a party to exercise, or to delay in exercising, any right or remedy hereunder. Nor shall a party's single or partial exercise of a right or remedy or failure to require full performance from the other party preclude a party's right to exercise its rights and remedies or enforce each and every provision in this Agreement.

26.10 Entire Agreement. This Agreement contains the entire understanding between the parties with respect to the subject matter herein. There are no representations, agreements, or understandings (whether oral or written) between or among the parties relating to the subject matter of this Agreement which are not fully expressed herein.

26.11 Public Records. City is a governmental entity and subject to the public records Laws and regulations set forth in chapter 239 of the NRS and NAC. If Company fails to do all of the foregoing, such information shall be deemed to not be confidential. If City receives a public records request that applies to this Agreement (either specifically or otherwise), it will analyze the documents provided in connection with this Agreement to see if the information so marked may legally be withheld from inspection and copying. City takes no responsibility and is not liable for release of (1) any information not so marked and summarized or (2) any information that is so marked and summarized in the event that City determines in its sole and absolute discretion that City must provide the information because an applicable exception does not apply or the information is not declared by applicable Law to be confidential.

26.12 Non-Exclusive Remedies. No provision in this Agreement made for the purpose of securing enforcement of the terms and conditions of this Agreement shall be deemed an exclusive remedy or to afford the exclusive procedure for the enforcement of said terms and conditions, but the remedies herein provided are deemed to be cumulative.

26.13 No Third-Party Beneficiaries. Except for City Indemnitees who are intended beneficiaries of Company's obligations in Section 18, nothing expressed or implied in this Agreement is intended to create for the public, or any member thereof, or any person not a party to this Agreement, a third-party beneficiary right, interest or remedy, or to authorize any such person to maintain a suit for personal injuries or property damage pursuant to any term, provision, condition, undertaking, warranty, representation, or agreement contained in of this Agreement.

26.14 Construction of Agreement. When followed by an example, the words “include,” “includes,” and “including” are to be read as if they were followed by the phrase “without limitation.”

26.15 Effect of Acceptance. Company: (a) accepts and agrees to comply with this Agreement and all applicable federal, state, and local laws and regulations; (b) agrees that this Agreement was granted pursuant to processes and procedures consistent with applicable law; and (c) agrees that it will not raise any claim to the contrary or allege in any claim or proceeding against City that at the time of acceptance of this Agreement any provision, condition or term of this Agreement was unreasonable or arbitrary, or that at the time of the acceptance of this Agreement any such provision, condition or term was void or unlawful or that City had no power or authority to make or enforce any such provision, condition or term.

26.16 Time is of Essence. Time is of the essence with regard to the performance of all of Company’s obligations under this Agreement.

26.17 Counterparts. This Agreement may be executed in any number of counterparts and by different parties to this Agreement in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Copies of documents or signature pages bearing original signatures, and executed documents or signature pages delivered by telefax or facsimile or by e-mail transmission of an Adobe© file format document (also known as a PDF file), shall, in each such instance, be deemed to be, and shall constitute and be treated as, an original signed document or counterpart, as applicable.
