

Veteran Action Foundation is a 501(c)(3) veteran nonprofit organization, and we need volunteers to help. Therefore, we seek individuals ready to volunteer their time and talent to our projects. We have the following needs:

REMOTE:

1. Establish a social media listing of veteran-friendly places to eat, first in Henderson, Las Vegas, Boulder City, etc.
2. Research on veteran related information, services, and legislation to post on our social media platforms and in our monthly newsletter.
3. Creating event flyers to use on our social media platforms and email notifications.
4. Creating an email database to send email notifications of events and our monthly newsletter.
5. Do outreach with companies and corporations for sponsorship.

IN PERSON or ON SITE:

1. Staff our marketing table at veteran events.
2. Hand out our Free Services for Veterans flyers at different locations.
3. Help staff our Henderson Veteran Service Office Monday – Thursday 9am – 1 pm. Answer phone calls, take messages, etc.
4. Become a Veterans Treatment Court Mentor for Henderson, Las Vegas, and North Las Vegas.

Our volunteer staff helps veterans, their families, survivors, and other veteran organizations, which is very rewarding and much appreciated by our veterans.

If you or someone you know is interested in becoming a volunteer, please email info@vafnv.org with “Volunteering” in the subject line. Also, please provide the following in the email: Contact information; when may we contact you; what volunteer area(s) you are interested in; and when could you start volunteering.
